 Description

You have been officially designated as the Contract Administrator for the above referenced contract. As the University's appointed Contract Administrator, you will be responsible for ensuring that yo

- You will be responsible for seeking guidance and approval from Procurement Services in those instances where the referenced policies and specified guidelines are “silent”. Failure to do so will not relieve you of any potential violations that and subsequent disciplinary action(s) that may occur because you were unclear on how to proceed.
- The Procurement Officer and/or the Department of Procurement Services must rely on you to ensure the contractor remains in compliance with the provisions of the contract, and that a complete file of all records related to the contract be maintained. Any problems or deviations from contract requirements must be promptly reported to Procurement Services.
