

# 2018 MESSAGE FROM THE President's Task Force on Inclusive Excellence

As we begin our work in 2018, we are excited to see how we can build on the progress we have made in the past few years. We are committed to creating a more inclusive and equitable environment for all of our students, faculty, and staff. We will continue to work together to address the challenges we face and to create a more vibrant and successful community. We are proud of the progress we have made and we are confident that we can continue to make significant progress in the years ahead.
